*“I now see the world as a landscape that can be recreated in dimensional and territorial layers of fabrics. My work is not thematic, it is evolution. It starts with the traditional, then follows its’ own whimsical chanting into a narrative world all its own and I follow along the walking path.”*

*-Diane Williams, Fiber Artist and Storyteller*

**OPENING FRIDAY JANUARY 20, 2012  
FROM 5:30-8:00 p.m.**

The artist will be telling stories related to her artwork.

**Exhibition Dates  
January 20- May 26, 2012**
